Form 471 # 161057650

Ambassador Preparatory Academy (APA) is requesting a waiver of the Form 471 deadline of May 26, 2016. We are requesting this waiver as a result of our consultant being locked out of the EPC system prior to the Form 471 deadline. Approximately an hour prior to the deadline, an attempt to enter the Form 471 information was denied. The message was "the maximum number of concurrent sessions has been reached." The time, at the time of the lockout, was 10:15 PM CDT. A call was made to the Schools and Libraries HelpLine. We were informed that if you close the EPC tab but not log out, you are still logged in and then you are timed out and cannot enter again for 55 minutes. This elapsed time prevented us from inputting and certifying our data prior to the deadline. Form 471# 161057650 was certified at 11:41 PM CDT. Please see Case # 92205.

We are requesting this waiver because if we had not be locked out of the FCC system for 55 minutes, we would have certified the Form 471 within the deadline.

Thank you for your consideration.

Sincerely,

Will Evans

Consultant
